

Mickle Trafford Preschool Newsletter

March 2019

Easter term dates

Hello and welcome back from half term, we hope you all enjoyed the break. Just a reminder that the last day of term is Friday 29th March, we return on Monday 15th April and then we have the long bank holiday weekend where we are off on Friday 19th April returning Tuesday 23rd April.

Spring

This month our theme is spring, we have been planting potatoes in our garden, painting pictures of daffodils, going on spring walks in the forest and exploring the different changes that spring brings. We would also like to create some wellington boot planters to go around the Preschool, please could you bring in an old wellington boot with your child's name written inside before we break up for Easter.

Parents forum

On Thursday 21st March we will be holding our first parents' forum. This is a lovely opportunity to all come together and give your thoughts on Preschool so we can look at what's working well and if there is anything you would like to see us do more of. All involved with Preschool are welcome including grandparents and anyone else who may be involved with the child. Please confirm via email if you would like to attend, we would love to see you there!
(mickle.traffordps@hotmail.co.uk)

Stay and play

On Thursday 7th March we will be holding a bear hunt themed stay and play from 2-3 all children and parents are welcome to attend the stay and play, the theme this year is bear hunt. Children can come to Preschool on Thursday dressed as a character from their favourite sessions.

New staff member

You may have noticed that we have a new member of staff with us, please join us in welcoming Rachel to the team, we are delighted to have her on board.

Moon sand

The children cannot get enough of moon sand in Preschool at the moment. Moon sand is like normal sand but can be moulded with ease and has a crumbly texture.

Moon sand can be purchased but it is so quick and easy to make.

Just mix together flour and oil (we have used olive or vegetable) and there you are! We have also added food colouring and glitter to ours.
